Dublin City University

Book Now!

Speakers from a variety of fields will talk on a wide range of topics related to innovation, research and best practice in seating, posture and mobility.

We encourage you to prioritise this as a key training event in your annual calendar. Booking is now open. Tickets will be allocated on a first come first served basis. Get yours now and secure your place!

Event attendance and IPMN membership is open to anyone working, training, or with an interest, in the fields of mobility and/or postural management (Nurses, Doctors, Occupational Therapists, Physiotherapists, Prosthetists, Orthotists, Clinical & Rehabilitation Engineers and Technicians, Product Designers, Product Specialists). This year, we would especially like to encourage interested members of the Nursing profession to join us. The network also welcomes and promotes the attendance and active participation of users of posture and mobility products.

There will be opportunities to network during the lunch and coffee breaks.
