

Irish Posture & Mobility Network Day of Shared Learning

Friday 10th March 2023
Trinity College, Dublin

Book Now! 

Two and a half years ago, IPMN Day of Shared Learning 2020 had to be cancelled on the morning of the event, due to a COVID outbreak. We thank you for your understanding at the time, and apologise for any disappointment or inconvenience which that cancellation might have caused. Little did we know how things would spiral from there, or how long it would be until we could reconvene in person. But the time is finally here!

Speakers from a variety of fields will talk on a wide range of topics related to innovation, research and best practice in seating, posture and mobility

We encourage you to attend this key training event and valuable CPD opportunity.

Event attendance and IPMN membership is open to anyone working, training, or with an interest, in the fields of mobility and/or postural management (Doctors, Nurses, Occupational Therapists, Physiotherapists, Prosthetists, Orthotists, Clinical & Rehabilitation Engineers and Technicians, Product Designers, Product Specialists). IPMN also welcomes and promotes the attendance and active participation of users of posture and mobility products.

There will be opportunities to network during the coffee breaks and hot lunch. The venue is wheelchair accessible.

Speakers Include (Event Flyer v02.01 - 21/02/2023) Subject to change. Please check our website for latest information
